Windsor Initiatives for Needs, Guidance, and Support

The W.I.N.G.S. Foundation is a financial assistance program designed to support Windsor House staff who are experiencing an unforeseen catastrophic emergency. Guided by the company's mission statement and core values of People, Caring, Commitment and Integrity, these principles have helped to guide and shape the culture of our long-term care community since our founding in 1959. Your generous support will help provide aid to Windsor House employees during their time of greatest need.
